

Plan Table

Designed By Edward Barber & Jay Osgerby, 2022

The round Plan Table combines a refined, timeless design with carefully considered functional details, making it ideal as both a meeting table and a dining table. The elegant steel tube base is available in either a powder-coated or brushed finish, while the tabletop comes in Fenix NTM laminate, Forbo linoleum, or oak veneer – all with a straight edge and matching edge banding for a harmonious look. For a clean and streamlined appearance, the table can be equipped with integrated cable management, allowing cables to be discreetly routed through the legs. The cable management cover is available in black metal or core leather, crafted from surplus material from the production of The Spanish Chair.
