

Plan Table

Designed By Edward Barber & Jay Osgerby, 2022

The Plan Table Extendable is designed for flexible collaboration spaces, restaurants, and private homes.

While conventional extension tables are fitted with rather complicated extension mechanisms, the Plan Table extension table has aimed to simplify the tool as much as possible – with the principle that reducing complexity prolongs a product’s life.

The newly developed Fredericia extension mechanism runs without wires and can be easily handled by one person. It allows for two additional seats or just a convenient extra space to be added to the table. The additional table top is stored under the table while not in use.

MODEL
6632 - Extendable 200 / 260 x 100 cm

MATERIALS
Extendable table with base in tubular steel, brushed or powder coated. Tabletop in Fenix NTM laminate, Forbo linoleum and oak veneer with straight edge with matching edge band or solid wood with a rounded edge profile. Table has space for storing an additional plate. Additional plate is the same material as table top. Mounted with plastic glides.
